**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

I specifically chose Sonic as a competitive provider.

The focus of Sonic is to provide me with a service I can use at the lowest cost to me.

It is really important to me that competition continues.

I did not want to use AT&T or Comcast because the focus of these companies is to make money and then make more money, no matter what happens to me and their service to my phone line and internet connection.

Please, please say NO to price hikes that will increase the cost of internet and telephone services.

Thank you for your consideration.
